TAKE NOTE

glōProfessional, a leading mineral makeup, skin care, and spa brand dedicated to the professional and consumer markets, has made a charitable commitment to the **National Breast Cancer Foundation (NBCF)**, a non-profit organization that aims to extend women's lives through education about breast cancer and early detection. **glōProfessional** will launch the **"You Look Marvelous in Pink"** limited edition kit in October to raise awareness and help in the fight against breast cancer.
