“ As you probably know, it's Breast Cancer Awareness Month - which means there are tons of fun Pink Ribbon products to choose from! All of them are lovely and go toward a great cause, but we're especially into these pink-a-licious pout perfectors: **glōLiquid lips** in **pink ginger** is part of a **glōMarvelous in pink kit** that helps benefit the **National Breast Cancer Foundation**. A pink pucker never goes out of style, especially during Breast Cancer Awareness Month! ”
